### "Dark Is The Sunlight"

Why revelations?, Why earth corruptions  
Why salvations?, Why eliminations  
Side by side, day by day  
Search for the reason  
Light by light, slay my mind  
There is no solution

Dark is the sunlight, we cast the right together  
Dark is the sunlight, or I'm blind forever  
Dark is the sunlight, we spent the light together  
Dark is the sunlight, or I'm blind forever

Why unification?, Why segregation ?  
Why communication?, Why termination ?  
Goin side by side, day by day  
Search for the reason  
Light by light, I slay my mind  
There's no solution

Dark is the sunlight, we cast the right together  
Dark is the sunlight, or I'm blind forever  
Dark is the sunlight, we spent the light together  
Dark is the sunlight, or I'm blind forever
