Ticking clock won't stop
Tick tock tick tock
Pissing me off
I need a night job.

I lie in bed
Thoughts in my head
Another test
No rest no rest.

Cause I can't sleep
No rest in peace
Cause I can't sleep
No rest in peace.

I watch T.V.
Old movies, Tom Green
It's an ugly scene
Just being me.

Drugs don't help
And my brain just melts
From there I fell
I hate myself.

Cause I can't sleep
No rest in peace
Cause I can't sleep
No rest in peace.
