I'm a punk rocker
I have green hair and spikes
I wear Anti-Flag
But I don't know what they're like.

I like to cut my Dickie pants
Right below the knee
So my Vans socks
Are easier to see.

I'm a punk rocker
I play the guitar
I want to be rebellious
And be a rock star
I once was a jock
But that went out of style
So I turned punk
And will be for awhile.

I'm a punk rocker

I have been for a day
I know what to wear
And exactly what to say.

Bought my guitar
At a local five and dime
It was on sale
For \$ 1.99.

I'm a punk rocker
I play the guitar
I want to be rebellious
And be a rock star
I once was a jock
But that went out of style
So I turned punk
And will be for awhile.

I wanna be a punk rocker
