If I did lose
When I had to choose
I could not imagine my life without you

I don't want to fight
For me it was love at first sight
I don't think I can take this

As day turned to night we both changed
We said things we never should've said
I felt all I had slipping away

And I'll say I'm sorry
And I'll listen to you cry
Don't want to say goodbye
I don't want to say goodbye

I feel empty
I just want to be
Everything you want and everything you need

It's a classic case
Love turned into hate
And I don't think I can take this

As day turned to night we both changed
We said things we never should've said

I felt all I had slipping away

And I'll say I'm sorry
And I'll listen to you cry
Don't want to say goodbye
I don't want to say goodbye

It was the moment I had feared
The fireworks came early this year

As day turned to night we both changed
We said things we never should've said
I felt all I had slipping away

And I'll say I'm sorry
And I'll listen to you cry
Don't want to say goodbye
I don't want to say goodbye

And I'll say I'm sorry
And kiss you for the last time
Don't want to say goodbye
I'll never forget you or the 3rd of July
