I can't remember anything
At all before tonight
Dark streets of forever
Silent all around
Open up my eyes

And I can see
But can't believe
What's happening to me
And I can see
But can't believe

These are the words you say
When you're away
And you can't believe in anything

Reflections in windows show me
How alone I really am
And I know that it's hopeless
Wishing I was home
When no ones there

And I can see
But can't believe
What's happening to me
And I can see
But can't believe

These are the words you say
When you're away
And you can't believe in anything

I know that it's hopeless
I know that it's over now
And I've lost it all, I've lost it all
I know that it's hopeless
I know that it's over now, over now

I can see but can't believe
And all these words don't mean anything
You never really meant that much to me

These are the words you say
When you're away
And you can't believe in anything
