Ever since you've gone  
everything has felt so wrong.  
I'll never be the same  
without you here.

Staring at the sun.  
Eventually I'll come undone.  
It's hard to make it through a day,  
without you here.

[Chorus:]  
You'll never know...  
I'm falling to pieces  
You'll never know...  
How desperate I've become...  
How desperate I've become...  
yeaaa...

Everything I see  
reminds me how it used to be.  
My lungs refuse to breathe the air,  
without you here.  
And if you heard this song,  
could it bring you back where you belong?  
cause I can't even fall asleep,  
without you here

[Chorus x4]
