"Stray"

I am running,
And it feels better when I stray,
With eyes open,
And sounds in the space.

Chocking, rotting,
But your hand's in place,
Don't mean nothing,
But something's out of stage.

I am running,
And it feels better when I stray,
Had to kick me out so you could remain,
To remind you I'm behind you,
Now nothing matters,
Nothing's left to say.

And we are terrible actors,
Were life is a show,
Only the worse remain,
Meaning you're to stay.

I am running,
And it feels better when I stray,
Ate my pen to write what I tried to say.

To remind you I'm behind you,
I saw your shadow,
To ease my mistakes.

And we are terrible actors,
(And we are terrible actors)
Were life's a show,
(Feels better when I stray)
Only the worse remain,
(Only the worse remain)
Meaning you're to stay.
But you'll never know how good it felt.
Awake

Break!
