You hear me you feel now,
When you see me you're near me,
You see my swagger so clearly got all the boys actin'
silly

And now I'm hotter than chilli, like obama and hilli
Chip track and I kill it I'm here gettin my millies
AYO ay ay oh don't worry 'bout me just worry 'bout
you
Ay ay ay oh you think you know me well what you wanna
do?

I'm a boss I don't walk through the door
I stomp on the door make 'em say "oh no(oh no!)she
didn't, look at shawty get it", mind on my money so you
know that I'm the business
I see 'em jockin but you know I ain't stoppin
Pull out my lip gloss got it on and poppin
Loose hoody but my jeans stay fitted,
Learned the game from my daddy so you know I'm
'bout to get it

Little miss swagger, little miss swagger
This girl's independent so you know you can't have her
Little miss swagger, little miss swagger
Steady got 'em chasin' for her to bad you can't catch
her

Little miss swagger, little miss swagger
This girl's independent so you know you can't have her
Little miss swagger, little miss swagger
Steady got 'em chasin' for her to bad you can't catch
her

I'm a boss I don't walk on the scene
I stomp on the scene reco- recognize me
Hi haters bye haters
I'm a baller see you later

Money can't buy me
Shawty is a dimepiece
I'm not the flavor of the week so no you can't try me

Youu trippin' got me twisted
I might be young but I'm all about my business

Little miss swagger, little miss swagger
This girl's independent so you know you can't have her
Little miss swagger, little miss swagger
Steady got 'em chasin' for her to bad you can't catch
her

Little miss swagger, little miss swagger
This girl's independent so you know you can't have her
Little miss swagger, little miss swagger
Steady got 'em chasin' for her to bad you can't catch
her
Watcha gone do when I walk in the room
Betta recognize a boss chic when I come through
(Cymphonique)young money
The boys wanna see me the girls wanna be me
'Cause my swaggger so breezy

Watcha watcha gone do when I walk in the room
Betta recognize a boss chic when I come through
(Cymphonique)young money
The boys wanna see me the girls wanna be me
'Cause my swaggger so breezy

You hear me you feel now,
When you see me you're near me,
You see my swagger so clearly got all the boys actin'
silly

Chip track and I kill it I'm here gettin my millies
AYO ay ay oh don't worry 'bout me just worry 'bout
you
Ay ay ay oh you think you know me well what you wanna
do?

Little miss swagger, little miss swagger
This girl's independent so you know you can't have her
Little miss swagger, little miss swagger
Steady got 'em chasin' for her to bad you can't catch
her

Little miss swagger, little miss swagger
This girl's independent so you know you can't have her
Little miss swagger, little miss swagger
Steady got 'em chasin' for her to bad you can't catch
her

Break it down wait minute

Check the che-che-check the charts
I'm winnin
See me on tv watch me on movies

Ya girl austin powers
'Cause my swagger so groovy

Wait a minute wait a minute
Break it down
Holly-hollywood dream music
Ha peace
