AYO!

You hear me, you feel me

Now when you see me your near me

You see my swagger

So clearly

Got all the boys

Acting silly

Now I'm hotter

Than chilli

Like Obama

And Hilli

Chip track and I

Kill it

I'm here and I'm gettin'

My milli

Hey Hey Hey O!

Don't worry 'bout me

Just worry 'bout you

Hey Hey Hey O!

Think you know me,

Well whatcha wanna do

I'm a boss

I don't walk through the door

I stomp through the door

Make'em say Oh No!

She didn't!

Look at shawty get it!

Mind on my

Money

So you know that I'm

The buisness

I see'em jokin' but you

Know I ain't stoppin'

Put on my
Lip gloss
Got it on
And poppin'

Loose hoody
But my jeans
Stay fitted

Learned the game
From my daddy
So you know I'm
'Bout to get it

Lil' miss swagger
Lil' miss swagger

This girl's independant
So you know
You can't have her

Lil' miss swagger
Lil' miss swagger

Steady got you chasin'
To bad you can't
Catch her

Lil' miss swagger
Lil' miss swagger

This girl's independant
So you know
You can't have her

Lil' miss swagger
Lil' miss swagger

Steady got you chasin'
To bad you can't
Catch her

I'm a boss
I don't walk on the scene
I stomp on the scene

Reco-Recognize me
Hi haters
Bye haters

I'm a baller
See you later

Money can't buy
Me
Shawty is a dimepiece

I'm not the flavor
Of the week
So no you can't
Try me

You trippin'
Got me twisted

I might be young
But I'm all
About my
Buisness

Lil' miss swagger
Lil' miss swagger

This girl's independant
So no you can't
Have her

Lil' miss swagger
Lil' miss swagger

Steady got you chasin'
To bad you can't
Catch her

Lil' miss swagger
Lil' miss swagger

This girl's independant
So no you can't
Have her

Lil' miss swagger
Lil' miss swagger

Steady got you chasin'
To bad you can't
Catch her

Whatcha gonna do
When I walk in the room

Better recognize the
Boss chic
When I come through

CYMPHONIQUE

Young money

The boys wanna see me
The girls wanna be me
'Cuz my swagger so breezy

Whatcha gonna do
When I walk in the room

Better recognize the
Boss chic
When I come
Through

CYMPHONIQUE

Young money
The boys wanna see me
The girls wanna be me
Cuz my swagger so breezy

You hear me
You feel me
Now when you see me
You near me

See my swagger
So clearly
Got all the boys
Acting silly

Now I'm hotter
Than chili
Like Obama
And Hilli

Chip track and I
Kill it
I'm here gettin'
My milli

Hey Hey Hey O!
Don't worry 'bout me
Just worry 'bout you

Hey Hey Hey O!
Think you know me
Well whatcha wanna do

Lil' miss swagger
Lil' miss swagger

This girl's independant
So you know you can't
Have her

Lil' miss swagger
Lil' miss swagger

Steady got you chasin'
But to bad
You can't
Catch her

Lil' miss swagger
Lil' miss swagger

This girl's independant
So you know you can't
Have her

Lil' miss swagger
Lil' miss swagger

Steady got you chasin'
But to bad
You can't
Catch her

Break it down
Wait a minuet
Chack the charts
I'm winnin'

See me on TV
Whatch me on movies
Ya girl
Austin Powers
Cuz my swagger so groovy

Wait a minuet
Wait a minuet
Break it down
Hollywood dream music

HAHAH Peace
