Haterade  
Comes in many flavors  
Pick one!  
Can't nobody knock you off  
Long as you on your ten hut  
Said I couldn't it done  
I did it now so then what  
Then what?  
Swag in tact  
I got it done and then some

Yeah!

Coming through  
Captain in hte building  
Throw up your salute  
Coming out them hoops  
And I'm lacing up my boots  
What you wanna do? (x2)

What-you act like you never seen no soldier girl  
Where you from they don't be up on them soldier girls  
Come rain or sunshine  
I be on the front line  
I ride for my soldier girls (x2)

Shout to my girls going hard on the block.. block  
Yall put up your one and let em know just how you rock..  
rock  
Get red carpet with it do it do it like a star.. star  
Boss, floss like you know who you are

Yeah!  
Coming through  
Captain in hte building  
Throw up your salute  
Coming out them hoops  
And I'm lacing up my boots  
What you wanna do? (x2)

What-you act like you never seen no soldier girl  
Where you from they don't be up on them soldier girls

Come rain or sunshine  
I be on the front line  
I ride for my soldier girls (x2)

Who you know that can still go pop.. pop  
And keep the streets lock like gucci and flock  
Swag on a hundred  
Yo.. she get it from her pop  
Which mean it ain't no limit and it don't stop  
No it don't stop and it won't stop

What-you act like you never seen no soldier girl  
Where you from they don't be up on them soldier girls  
Come rain or sunshine  
I be on the front line  
I ride for my soldier girls (x2)

Come rain or sunshine  
I be on the front line
