I love you, I love you, I love you
Yes I do but the words won't come
And I don't know what to say

I should tell you I love you, I do
The words should explain but the words won't come
I shouldn't hide my love deep inside
The words should explain but the words won't come

I should tell you just how I feel and I keep try-y-y-in'
But something holds me back when I try to tell you

I love you, I love you, I love you
Yes I do-o-o
I love you, I love you, I love you
Yes I do but the words won't come
And I don't know what to say

I shouldn't hide my love deep inside
The words should explain but the words won't come
If you could see what you mean to me
The words should explain but the words won't come

And oh, how hard I try to tell you I lo-o-ove you
But something holds me back when I try to tell you

I love you, I love you, I love you
Yes I do-o-o
I love you, I love you, I love you
Yes I do but the words won't come
And I don't know what to say, yeah!

I should tell you I love you, I do
The words should explain but the words won't come
I shouldn't hide my love deep inside
The words should explain but the words won't come

And oh, how hard I try to tell you I lo-o-ove you
But something holds me back when I try to tell you

I love you, I love you, I love you
Yes I do-o-o

I love you, I love you, I love you
Yes I do but the words won't come
And I don't know what to say

I love you
