cant breathe
hyperventilating
look out
fall and hit the ground
pain leading
will someone get me out
cant breathe
hyperventilating

wake up (2X)

feeling down
head blown out
no more sound
lights go out
feeling down
your eyes blown out

feeling down
head blown out
no more sound
lights go out
feeling down
your eyes blown out

Chorus:
oooh...(4X)

wake up time to die(4X)

manipulation
and its killing me
communication
and its killing me

reproducing
and its killing me
clones for its missing
and its killing me

Chorus

we all have lost control, lost control, lost control (5X)
(wake up)
no control
reckoning
so depressed
emptiness
