In this mega twist of fate,  
Know that help will come too late.  
How many more there?  
How many more can there be?  
If you hear a freaky sound,  
And all the spooky scary's all around  
And they're coming after you...  
But you don't know what to do!

This can't be happenin'!  
And then you start to scream.  
Is it getting hairy?  
Is it spooky scary?  
This can't be happenin'!  
And then you start to scream.  
Is it gettin' scary?

Love me pretty  
Love me pretty  
Am I, human!

And you feel you are insane  
Because this can't be happening  
Am I to believe  
Or are your eyes just decieveing  
Run but you can't hide  
Come on come alive  
And it's coming after you  
But you don't know what to do,  
But you don't know what to do!

Love me pretty  
Love me pretty  
Am I am I  
(Am I, am I, am I)

And in the midst it ignites  
And what is said by dynamite  
And all the pieces scattered  
And that chilling laughter  
And it seems like halloween  
And it spooky scary scene

Fighting all around around around around  
Grab you take you upside down

This can't be happenin'!  
And then you start to scream.  
Is it getting hairy?  
Is it spooky scary?  
This can't be happenin'!  
And then you start to scream.  
Is it gettin' scary?

Love me pretty  
Love me pretty  
Love me, pretty  
Love me, pretty  
Am I am I human!

No!  
Am I human!  
Can this be happening?  
Am I human!  
Could this be happening?  
Am I human!  
Could this be happening?  
Am I human!
