Peeping through walls
Listening
I'm at the door
And I know
You can't go far
My soul is on fire

Peeping through walls
Listening
I'm at the door
And I know
You can't go far
My soul is on fire

Dying to be you

I'm falling
On my arms bugs are crawling
Preventing me from sleeping
I find it very creepy
With you

Dying to be you

When I see your face
I don't know what I'd do
Because I'm dying
Dying just to be with you

Dying to be you
Dying to be you
Dying to be you
Dying to be you

Peeping through walls
Listening
I'm at the door
And I know
You can't go far
My soul is on fire

Dying to be you

Dying to be you
Dying to be you
Dying to be...
