What is protecting
The phasing
Of your sanctuary?
Are you hurting inside?
All those things you hold so precious
Like a demon waiting for it's prey
To steal the essence of your life
You bleed inside
You bleed inside
You bleed inside
You bleed inside

Paralyzing you
You're frozen in this cat's eye view
Stealing babies breath
And you reach out
You're so close to death
Contemplating terror
In that demon's lair
Waiting for some sign
From father time
You bleed inside
You bleed inside
You bleed inside
You bleed inside

Fade away
Break down and cry
And you just want to die

Fade away
Break down and cry
And you just want to die

What is protecting
The phasing
Of your sanctuary?
Are you hurting inside?
All those things you hold so precious
Like a demon waiting for it's prey
To steal the essence of your life
You bleed inside

You bleed inside
You bleed inside
You bleed inside

Fade away
Break down and cry
And you just want to die

Fade away
Break down and cry
And you just want to die

Fade away
Break down and cry
And you just want to die

Fade away
Break down and cry
And you just want to, just want to die

What is protecting
The phasing
Of your sanctuary?
