There's another way
There must be another way
This is not a game
We will play it anyway

Stare into my screen
It gives me what I need
I'm chomping at the bits
You get my drill feed

I love your stranglehold
I need your stranglehold
Just squeeze until I go, go

Help me, help me
You know me better than I knew myself
Mayday mayday
Said angels, I'm a danger to myself
You know me better than I knew myself

Getting nothing done
I'm getting nothing done
Failing all my friends
And I'm failing everyone

I love your stranglehold
I need your stranglehold
Just squeeze until I go, go

Help me, help me
You know me better than I knew myself
Mayday mayday
Send angels, I'm a danger to myself

Help me, help me
You know me better than I knew myself
Send angels, I'm a danger to myself

How long?
How long was I sleeping? (4x)

Help me, help me
You know me better than I knew myself
Mayday mayday
Send angels, I'm a danger to myself

Help me, help me
You know me better than I knew myself
Send angels, I'm a danger to myself

How long was I sleeping?
