Lying face down  
All the life giving out  
Is it a cry for help?  
The one who cannot get out  
All the needs  
They feel for you no pity  
They say you bring it on yourself  
The one who cannot get out  
Can you get out?

You watch your life disintegrate  
In this eager and desperate moment  
The fear numbs you all over  
And you look up eyes so innocent  
Asking why are they like this?  
For you know you've done nothing wrong  
Yet they lock the door behind you  
You...

Sorry  
I'm sorry  
Oh no  
And you find yourself alone  
You're alone again

Will they help you when you're falling down?  
Comforting, is it really cold out?  
As sensitive as you are  
For you  
The end cannot be far  
And you look up eyes so innocent  
Asking is the world really like this?  
For you they only tell you lies  
Trying to control your eager mind

Sorry  
I'm sorry  
Oh no  
And you find yourself alone  
You're alone again

Is it a cry for help?

Can you get out?  
Is it a cry for help?  
Can you get out?

Sorry  
I'm sorry  
Oh no  
And you find yourself alone

Sorry  
I'm sorry  
Oh no  
And you find yourself alone  
You're alone again  
You're alone again  
You're alone again  
You're alone again
