Who is the fly in your champagne
Whose got the body and whose got the brain
I'll take your blood and I'll kill my pain

You are the one that I desire
You are the dark I'm the vampire (vampire)

Who is the spy in your campaign
Is it the wife or is it your adviser
I wanna suck the blood from their veins

You are the 1 that I despise
You are the light I'm the vampire (vampire)

Oh well u know you'll never find an easy way
Oh bet u know wanna ride the new wave yeah
Who is the fly in your champagne
Whose got the body and whose got the brain
Let me taste your blood cause I'm in pain

You are the 1 that I desire
You are the dark I'm the vampire (vampire)

Women and children all disclaim
You're not the wiser, you're not to blame
Stick em in a casket next to mine
Then we will see who is alive
Then we will see the vampire (vampire)

Oh well you know you'll never find an easy way
It's in your head
The devil says when it's over (over)

You sound like him
It's got me till
Now it's over
Yeah it's over yeah

Who is the fly in your champagne
Whose got the body and whose got the brain
Ate your blood and I kill my pain

You are the dark I'm the vampire
