There's another way  
There must be another way  
This is not a game  
We will play it anyway

Stare into my screen  
It gives me what I need  
I'm chomping at the bit  
to get my drill feed

I love your stranglehold  
I need your stranglehold  
Just squeeze until I go cold

Help me! Help me!  
You know me better than I knew myself  
Mayday! Mayday!  
Send angels, I'm a danger to myself  
You know me better than I knew myself

Getting nothing done  
I'm getting nothing done  
Failing all my friends  
And I'm failing everyone

I love your stranglehold  
I need your stranglehold  
Just squeeze until I go cold

Help me! Help me!  
You know me better than I knew myself  
Mayday! Mayday!  
Send angels, I'm a danger to myself

Help me! Help me!  
You know me better than I knew myself  
Mayday! Mayday!  
Send angels, I'm a danger to myself

How long  
How long was I sleeping?

How long  
How long was I sleeping?  
How long  
How long was I sleeping?  
How long  
How long was I sleeping?

Help me! Help me!  
You know me better than I knew myself  
Mayday! Mayday!  
Send angels, I'm a danger to myself

Help me! Help me!  
You know me better than I knew myself  
Send angels, I'm a danger to myself

How long was I sleeping?
