Moth on the wall you never fall  
You just disappear from view  
You don't even have to try  
To make a nuisance of yourself

You deny all knowledge  
That anything ever happened here  
Did it ever happen

So where did you go?  
Come back and finish me  
But you're just a moth so  
Make a nuisance of, YOURSELF

Someday you will find  
You can't stand YOURSELF  
You'll radiate you self-hate

Are you aware of the smoke?  
It's getting in my face  
I dedicate this song to you  
For choking up my life

Oh sheriff  
You're pregnant  
So who'll stop the killing spree  
When you  
Take your  
Maternity leave

So where did you go?  
Come back and finish me  
But you're just a moth so  
Make a nuisance of, YOURSELF

Someday you will find  
You can't stand YOURSELF  
You'll radiate your self-hate
