### "Scratch To Void"

Ive been used  
Scratched and chewed  
Why don't you  
Ever choose

Someone's run off with my bag  
Let the mannequins attack  
No-ones looking that bothered  
Why is no-one that bothered?

All this time, Ive been used

Zilch to do  
For miles around  
No-one but you  
For miles around

I have issues  
With good news  
I cant trust  
Them or you

Guess the side effects are huge  
Ever much it bend won't move  
No-ones looking that bothered  
Why is no-one that bothered?

All this time, Ive been used

Zilch to do  
For miles around  
No-one but you  
For miles around
