Who is the fly in your champagne
Whose got the body and whose got the brain
I'll take your blood and i'll kill my pain
You are the one that I desire
You are the dark Im the vampire(vampire)

Who is the spy in your campaign
Is it the wife or is it your advisor
I wanna suck the blood from their veins
You are the on that I despise
You are the light Im the vampire(vampire)

Oh well you know youll never find an easy way
Oh bet you know you wanna ride the new wave yeah

Who is the fly in your champagne
Whose got the body and whose got the brain
Let me taste your blood cause Im in pain

You are the one that I desire
You are the dark Im the vampire(vampire)

Women and children all disclaim
Your not the wiser,your not to blame
Stick 'em in a casket next to mine
Then we will see who is alive
Then we will see the vampire(vampire)

Oh well you know youll never find an easy way
Its in your head
The devil says,when its over(over)

You sound like him
Its got me 'till
Now its over
Yeah its over yeah

Who is the fly in your champagne
Whose got the body and whose got the brain
Ate your blood and I kill my pain
You are the dark Im the vampire
