-VERSE 1-

What would happen if today was your last?
Would you wake up early get blazed in the park?
Would you get off your face in a bar?
Would you make love sniffing cocaine in a spa?
Would you say sorry for mistakes in your past?
Would ya try and forgive her for breaking your heart?
Would ya get what you came to ask before ya gone?
Write a letter or record a song,
Would ya scooba dive, sky dive, hire a ferrari,
pent house party, set fire to ya money?
Would ya rob the bank, house the homeless, donate ya
organs to lousy smokers?
Would ya focus on your close fam, cook up a feast of
crayfish and spit roast lamb?
Would ya go back home, walk the streets

im busy i hav to go sumwer ill rite the rest later..!
