Uh, West coast...the best, coast

Chorus:

Pacific Heights

We take flight to live it like never before

The sun sets to settle the score

From whence it came but no longer the same, see

We got some real hard hitters in the East O

We got some real hard hitters in ??Vallayo??

Chorus

And now we travel down highway 101, the scenic route
Perceiving the beautiful things that you might dream
about
When yo
