Now you can blame it on the blunts and beer  
Or my utter lack of fear when I'm draggin in her ear  
Like, ain't no commitments girl, we just kickin it right?  
Laughin at the prophylactic I just slipped it inside (ahh)  
Cause I ain't trippin I like runnin raw daddy

know, I know)

[Now if you full of regrets that's on you (on you)]  
(And if you don't know what to do that's on you (on  
you))  
[You can't get no respect? That's on you (on you)]  
(And if you're without a clue that's on you (on you))

(Pep Love)

He always wanted to have shit  
Cause this nigga never had shit  
It, even influenced him to get into bad shit  
Like, shoplifting and, party crashin
