now listen honey while i say
how can you fix your mouth and baby go away
don't say that we will part
don't break my aching heart
now listen honey while I say
how can you fix your mouth and baby go away
don't say that we will part
don't break my aching heart
th-the beat th-th-th-the beat
th-the beat th-th-th-the beat
th-the beat th-th-th-the beat
th-the beat th-th-th-the beat
to the beat y'all to the beat y'all to the beat y'all
to the beat y'all to the beat y'all to the beat y'all
to the beat y'all to the beat y'all to the beat y'all
to the beat y'all to the beat y'all to the beat y'all
the beat the beat the beat
love me night and day can't you see my fears
love me night and day can't you see my fears
love me night and day can't you see my fears
love me night and day can't you see my fears

love me night and day can't you see my fears
love me night and day can't you see my fears
love me night and day can't you see my fears
love me night and day can't you see my fears
now listen honey while I say
how can you fix your mouth and baby go away
don't say that we will part
don't break my aching heart
now listen honey while I say
how can you fix your mouth and baby go away
don't say that we will part
don't break my aching heart
