Girl  
What you doing coming home Lord  
This time o'night  
Cheating me  
You think your sweet talk this time  
Will make things alright  
But I've been through these changes girl  
How many times before  
And I don't intend to go through them  
To go through them (x12)  
No more

Girl  
What you doing come home Lord  
This time o'night  
Cheating me  
You think your sweet talk this time  
Will things alright  
But I've been through these changes girl  
So many times before  
And I don't intend to go through them  
No more

Girl  
What do you mean coming home Lord  
This time o'night (night)  
Cheating me
