If you were mine
I would celebrate like everyday was Christmas
If you were mine
I would love you like it's nobody's business

I would give you everything I had
I would treat you right, I would make you laugh
Baby, I would smile forever if you were mine

If you were mine
Baby, night would be a romance novel
If you were mine
I would quench your thirst like a tall glass of water

You would be my one desire
I would kiss you like a house on fire
Baby, I would burn like crazy if you were mine
If you were mine, if you were mine, oh yeah

You're everything I can't resist
Just to hear your voice is bliss
It is, yeah it is

If you were mine I would shout it out
We'd show the world what love's about
We'd never sleep in our big old bed
We'd just kiss and kiss and kiss instead

If you were mine, I would be complete
And nothin' would be missin', baby
If you were mine, if only you were mine

If you were mine, if only you were mine
If you were mine, if only you were mine
If you were mine, if only, baby

If you were mine, if you were mine
If you were mine
