Haircut, blow-dry, need a shampoo?
Perms & highlights, we do "updo's"!
I'll spin you around in the chair
Let's check out your beautiful hair

We do braids, weaving, and hairlocks
Got color that knocks off your socks
So amazed bout the way you look
Honey this style is off the hook

Chorus:
All the ladies getting ready
For a night on the town
What's the word at the beauty shop
What's been goin down?

Beauty shop
The word is on the street
Beauty shop
It's where we're all going to meet
Beauty shop
Tellin' friends everything
Beauty shop
About your hair and bling bling

Verse 2:
We got glitter and special effects
All the men gonna want your sex
You got attitude turn 'em down
You'll have 'em kneelin on the ground

What's your name? and where are you from?
That's what they say when your hair is the bomb
And everybody is gonna stare
So tell me what cha gonna wear?

Chorus:
All the ladies getting ready
For a night on the town
What's the word at the beauty shop
What's been goin down?

Beauty shop

The word is on the street
Beauty shop
It's where we're all going to meet
Beauty shop
Tellin' friends everything
Beauty shop
About your hair and bling bling
