Oh I want to spend my time
Yes, I want to spend my time
I really want to spend my life
With a girl like you

Oh I've been waitin' such a long time
There's been so many things on my mind
I'm really pleased I finally could find
A girl like you

He-he-hey! what d'ya say?
Do you want to dance
Like you've never danced before in your life?
I've been up in the sky just to get the right view
I've been around the world
Gettin' ready for a girl like you
A girl like you

I was raised to be so clever
How come I feel I've known you forever
Like I've always been together
With a girl like you

He-he-hey! what d'ya say?
Do you want to dance
Like you've never danced before in your life?
I've been climbin' so high watchin' the view
I've been around the world
Gettin' ready for a girl like you

I've been around the world
And I've been lookin' for a girl like you
