Speed kills
Speed kills
But you wanna go anyway
Speed kills
Speed kills
You wanna do it do it anyway

And when you've reached Havana It's time to call Jo-anna She's says you'll never be the one So you're still on the run Still on the run

Speed kills
Speed kills
But you wanna go anyway
Speed kills
Speed kills
Do it do it do it anyway

She says you'll never be the one
So you're still on the run
Still on the run
Still on the run
Still on the run
