Why does it hurt when you want somebody?
Total commitment means so much pain!
Ooh
I knew it was going wrong
a feeling that I don't belong.
So tell me
darling
what are you putting me through?

And if you can't give me love why do you keep me
hanging on?
Too afraid to love me
too afraid to go on.
And if you can't give me love
well

I might as well be on my own.
I've given all I've got to give

what do I have to do to make you stay?

I gave you the best
I gave you all and nothing less

Time waits for no one and I can't wait.
Ooh
so look at me
and answer why I can't be a part of your life?
So tell me darling
what are you putting me through?

And if you can't give me love
why do you keep me hanging on? . . .

In the morning when I've gone
You may realize that it takes two
you know that it's true.
So realize you've got some giving to do!

- Can't give me love
can't give me love -
Are you too afraid to love me

when you're not your on your own.
- Can't give me love
can't give me love -
I've given all I've got to give
not thrown it away.
- Can't give me love
can't give me love -
