If I had the chance just to make love to u again
I'd hold you in my arms and I'd never let it end
hooo.....

Im feelin so afraid
our love I have betrayed
alone I cried and thought about the big mistake I've
made
I wish I could explain
im the only one to blame
I hurt enough for both of us and time will ease the pain

(chorus) And how I regret that day
and now that you've gone away
i've give anything to bring , you back home to me
If I had the chance to make love to you again
I'd hold you in my arms and I'd never let it end
If I had the chance just to be with you once more
I'd give you the kind of love that you've never had
before

I've learned my lesson well
my life's an empty shell without you
without u, there's no story left to tell
I believe
you and me can find the love we had
and you see that we can make it better
cuz together we were once so strong but now you
moved on

(chorus) And how I regret that day
and now that you've gone away
i'd give anything to bring , you back home to me
If I had the chance to make love to you again
I'd hold you in my arms and I'd never let it end
If I had the chance just to be with you once more
I'd give you the kind of love that you've never had
before

oooooo.....

(chorus)

If i had the chance...
