As one, I'll meet the mortal memories  
Reliving, seeking silence  
And know, that I as just a shell outside  
Have sacred joys inside me

No fear, nor fight  
Comforting silent side  
So free, through flight  
Comforting silence

So I call on  
Sri, cosmic sea  
All is within you  
As in a dream  
I'm but a wave to

Infinity within thy consciousness  
An ever expanding sphere  
Immortal spark ignites  
Spreads by the air of bliss  
Embracing warmth that heals

No fear, nor fight  
Comforting silent side  
So free through flight  
Comforting silent side

So I call on  
Sri, cosmic sea  
All is within you  
As in a dream  
I'm but a wave to
