We are a falling star

A crooked stair

A fragile pair

We are beyond compare

A breaking glass

A cactus chair

Here we are

A game of chance

Pale Moondance

Strange romance

We shall find

We shall discover

What is ours we shall recover

Malaya

A hint of fairy's breath

We dream a dream

Of summers yet

On the wing a butterfly

A rainbow we must not forget

Malaya

Flying over nameless skies

And unknown dune

Together strong are we

Seeing truth beyond illusion

Fearing nothing we are free

Malaya
