"U & I"

On the island of my senses
U have lost your shape
The shadow of leaves fallen
A bed of limbs in stalemate
A crash of muted waves
In diminishing dimension
But last night in black & white
A dream of lovers' eyes
A song on an old phonograph
A moving photograph of
U & I
Sometimes in the dusk
When the sky bleeds certain shades
The color in between us
Is the sky that binds us
Never-ending you
Begin on & on & on
I only know
U are for real
But last night in black & white
A dream of lovers' eyes

A song on an old phonograph

A moving photograph of

U & I
