In Maya's grip illusion transforms verity  
Perceiving thus a delusive world of duality  
Veil of Maya  
Balance every joy with a grief  
Dual scales of Maya  
Earth's unending law of polarity  
Ahamkara...veil of Maya  
Illusion works impenetrable  
Weaving webs innumerable  
Her gay pictures never fail  
Crowd each other veil on veil  
Charmer who will be believed  
By man who thirsts to be deceived  
Maya subjects you  
Veil of Maya  
Chops and divides God's dream thoughts  
The great divider  
As we be subject to likes and disgust  
Ahamkara...veil of Maya  
Maya subjects you  
Charmer who will be believed  
By man who thirsts to be deceived  
Veil of Maya  
Balance every joy with a grief  
Dual states of Maya  
Earth's unending law of polarity  
Veil of Maya  
Chops and divides God's dream thoughts  
The great divider  
As we be subject to likes and disgust  
Ahamkara...veil of Maya
