I I want to be I I want to be
I am waiting so long
To be myself be myself be myself
Waiting so long waiting so long
It's my face but it's not me
In the mirror that I see
It's my voice what did I say?
I don't know why I'm falling
I'm falling I don't know why
Why you make me wait
Waiting so long
Waiting so long
These are my hands what do I have
I have nothing I am empty I am full
Full of full of nothing
I am falling
O I don't know why
Why you make me wait
Waiting so long
Waiting so long
Wait Wait Wait
I I want to be I I want to be
I am waiting so long waiting so long
To be with you be with you
Waiting so long
Waiting so long
Waiting so long
These are my ears I hear
A time ticking clock a tickin
Hear a tear on a candle drip
I hear a heart beat time
You make me wait
You make me wait
You can see me running to u
Here I am
I I am falling
O I don't know why
Why you make me wait
Waiting so long
Waiting so long
Wait Wait Wait
