I keep calling you, tell me  
Was it somethin' I said? Calling you

Woke up this morning and you told me  
You're tired of the way we're livin'  
And it's time for you to leave  
How could you do this to me?

Whatever I had I gave you my last  
Now you tell me that you wanna leave  
And all your stuff is packed  
How you gonna do me like that?

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

Sitting here and I'm losing my mind  
'Cause I gave you all my love  
I gave you all my time, gave you all my time

Now you wanna turn and walk away  
You tell me you don't want to stay  
I thought you were my man and I was your lady

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

Why couldn't you tell me the truth?  
If you didn't want me to kick it with you  
Now I'm sitting here all alone  
'Cause you couldn't be a man and pick up your phone

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?

Was it somethin' I said?  
Was it somethin' I did?  
'Cause I need to know  
If there's an us anymore

I keep calling you  
But you ain't pickin' up your phone  
Can you tell me what's goin' on?  
Was it somethin' I said?

Was it somethin' I did?  
'Cause I need to know
