Ooh I dedicate
Ooh I dedicate

Lately I been thinking 'bout
All the things we been going through
And how you break my heart
You think that I don't love you

But if you look deep inside your heart
You know that I really do care
So when you need me
I'll promise I will be right there

That's why I dedicate this song to the love of my life
Lately I know things haven't seem to be going right
But you know I'm the one for you and you're the one for me
That's why I sing this song, to tell you that I love you
'Cause you're my one and only

Lying in my bed
Tears falling down my face
Praying to God
That our love don't fade away

'Cause it's okay, 'cause we can work it out
'Cause with you I can't live without
These words I need to say
'Cause to you I dedicate

I dedicate this song to the love of my life
Lately I know things haven't seem to be going right
But you know I'm the one for you and you're the one for me
That's why I sing this song, to tell you that I love you
'Cause you're my one and only

Oh you're the one that I adore
And no matter what we go through
I'll love you forever and more

So, you say that you never miss a girlfriend 'til they're

gone
Well if you love me like you say you do,
You'll show me the way back to your heart, and that's
right

I dedicate this song to the love of my life
Lately I know things haven't seem to be going right
But you know I'm the one for you and you're the one for
me
That's why I sing this song, to tell you that I love you
'Cause you're my one and only

I dedicate this song to the love of my life
Lately I know things haven't seem to be going right
But you know I'm the one for you and you're the one for
me
That's why I sing this song, to tell you that I love you
'Cause you're my one and only

I dedicate
