Stripper up in the club
(Get it girl, get it girl)
They can look but they can't touch
(Get it girl, get it girl)

And you know your 'bout to kay
(Get it girl, get it girl)
Paid for college up stage
(Get it girl, get it girl)

Even though that your dropping loads
(Get it girl, get it girl)
You a jazzy chick not a ho
(Get it girl, get it girl)

Let 'em know you ain't 'bout no games
(Get it girl, get it girl)
Make sure dat they your name
(Get it girl, get it girl)

And if you're thugged out, represent
(Get it girl, get it girl)
Don't be afraid throw up your shit
(Get it girl, get it girl)

If your the type that like to ride out
(Get it girl, get it girl)
Do your dizzle, girl, wild out
Go head and
(Get it girl, get it girl)

Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl

Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl

If you go shopping every week

(Get it girl, get it girl)
Keep the heat underneath your seat
Ain't afraid to jump outta fight
(Get it girl, get it girl)
With the trick, tried to get it high

If your a single mum, fo kids
(Get it girl, get it girl)
Still got 2 cars and a fat crib
(Get it girl, get it girl)

And all these girls who stop talkin' to their daddy's
(Get it girl, get it girl)
Told the other girls they can have em'

If you work two jobs a day
(Get it girl, get it girl)
Get that money, girl, stay pay
(Get it girl, get it girl)

Never let a man bring you down
(Get it girl, get it girl)
Your a queen, girl, here's your crown
Go head an

Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl

Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl

If you own your company
(Get it girl, get it girl)
Your a baller jus like me
(Get it girl, get it girl)

Spoilt nothin' but Loiu Vitton
(Get it girl, get it girl)
Yea, you got it going on
(Get it girl, get it girl)

And every where you go is V.I.P.
(Get it girl, get it girl)
Neva had to show your ID
(Get it girl, get it girl)

'Cuz boys, the boys they love me

When I'm in the club, they know it's A.P.
All around the world they bought my CD
Wanna find out, turn on the TV
You know

Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl

Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
Get it girl, get it girl
