Every night that I'm with you
I can see each day that our love is true
From all the long fights in the middle of the night
To all the hard work to try to make it tight
You're the one I want for the rest of my life

I need you by my side, babe
I need you in my life, babe
I need you here, babe
You're so sincere, babe
I can never give you less, babe
Good lovin' from the best, babe

I love you boy, you're all I need
Wanna give you all of me
You fill my heart with all your soul
I don't need to look for love no more
You fill my dreams, you always make good love to me,
to me

I need you by my side, babe
I need you in my life, babe
I need you here, babe
You're so sincere, babe
I can never give you less, babe
Good lovin' from the best, babe

Up, down, move your body around
Don't stop 'cause I'm feeling you now
Push, pull, I love what you do
Believe in you but I'm no fool
You give me nothing but love and respect
Especially when we're soaking wet, baby

I need you by my side, babe
I need you in my life, babe
I need you here, babe
You're so sincere, babe
I can never give you less, babe
Good lovin' from the best, babe

I need you by my side, babe

I need you in my life, babe
I need you here, babe
You're so sincere, babe
I can never give you less, babe
Good lovin' from the best, babe
