each day I follow my vocation  
a silent matter of course  
I watch the headlines over coffee  
searching for excuses

though we may be the ones who are able to give  
to be given is our sorrow  
and we clean up the stairs in front of our house  
pretending not to hear

I will be waiting for the day we rearrange our view of  
sharing  
it is time to make amends

oh, were all cynics that - broken-hearted -  
want to be so different  
merely bathing in our holy silence  
that casts a lonely shadow

now youre feeling ashamed, want to get yourself  
cleaned  
but its hard to find distraction  
desperations a trap thats getting you down  
...that wasnt my design

I will be waiting for the day we rearrange our view of  
sharing  
it is time to make amends

my vocation, silent matter,  
to be given, Ill be waiting  
rearranging, to be different,  
merely bathing, find distraction

now youre feeling ashamed, want to get yourself  
cleaned  
but its hard to find distraction  
and we clean up the stairs in front of our house  
pretending not to hear

I will be waiting for the day we rearrange our view of  
sharing

it is time to make amends...
