In my heart  
There is an empty room  
Leave me lying here  
Say it will be soon

Im all alone  
Youll carry me home tonight

Cant you see  
On a night like this  
What it's worth to be  
A masochist

My skin is your throne  
A quivering moan from my lips

Im the sickliest creep  
Standing on trembling feet  
There's no hope in sight  
Who would lie on demand  
Just to get what he's planned  
Still no hope in sight

Let me breathe  
You submissively  
Im stuck in a maze  
My ego drains away

Bound to the floor  
Beseeching for pure debauchery

Cause it's free  
To try my weaknesses  
You don't have to pay  
For my sweet caress

Im saving your souls  
With shackles and ropes so tight

Im the sickliest creep  
Standing on trembling feet  
There's no hope in sight

Who would lie on demand  
Just to get what he's planned  
Still no hope in sight  
Bound to the floor  
With shackles and ropes so tight
