I'm writing this letter to let you know
this love of ours just can't go.
I never knew how happy I would be,
till you showed me how love can be

This letter that i write you
Is to let you know
Is how i feel and what we shared
It's for real
This letter
I write to you love letter
Loovvee Love Letter
Loovvee Love Letter
Loovvee Love Letter
Loovvee Love Letter

When we're together and all alone
the meaning of love really shows.
Never a tear falls from my eyes
cause with you, my dear it's right

So I write this letter
for the world to know
and see how true love can be
This letter
I write to you love letter
Loovvee Love Letter
Loovvee Love Letter
Loovvee Love Letter
Loovvee Love Letter

I'm writing this letter to let you know
this love of ours just can't go.
I never knew how happy I would be
till you showed me how love can be

This letter that I write you
Is to let you know
Is how I feel and what we shared
It's for real

I was lost and in the dark
then you came and lit a spark
now my days are full of light
and it seems like paradise
Repeat 2x

So i write this letter
for the world to know
and see how tru love can be
this letter
i write to you love letter
Loovvee Love Letter
Loovvee Love Letter
Loovvee Love Letter
Loovvee Love Letter
