Happiness, is one in a million when im not wit you
Your caress, the touch that I search for in mah dreams.
I onlee want to beeh wit you even if i cant have you
here.
Dont want to luv you frum afar, your touch is all that I
need.

(Chorus)-Thinkin about you, thinkin about you is all I
can do when your not here.
Thinkin about you, thinkin about you there's nuthin else
I can do.
Thinkin about you, thinkin about you is all I can do when
your not here.
Thinkin about you, thinkin about you there's nuthin I'd
rather do.

I believe, that sumday I'll get mah turn to make you
mine.
Then you'll see, that nobody else could luv you more.
I'll sacrafice my time for you, coz i didnt have you here
before.
Then we could make up for loss time, there's nuthin I'd
rather do.

(Chorus)-

I am thinkin about you baby, nuthin else I'd rather do.
I am thinkin about you baby, all I want is to beeh with
you.
(repeat)
