[Verse 1:]

Hey baby
Take a picture of me
While it lasts...
Hey baby
Wont you smile at me
While it lasts...

[Chorus:]

The water soaked
On the towel
Is still wet
The fire On
The table is
Still hot
And I,
Am still not breathing
From the day
You called my name
And You,
Were supposed
To be!
My Everlasting

Hey baby
Try and laugh with me
While it lasts...
Hey baby
Come and play with me
While it lasts...

[Chorus:]

Hey baby
Take a picture of me
While it fades...
Oh yea.
