Scared because I see you  
Scared because your there...  
But now I know it's just you.

JUST YOU!  
You know I'm terrified  
JUST YOU!  
You know I need to fight...  
JUST YOU!  
Tell me if I'm wrong but, everything I do but, it's Just  
you...

Happy because I see you  
Happy because your there...  
But now I know it's just you.

JUST YOU!  
I'm terrified  
JUST YOU!  
You know I need to fight...  
JUST YOU!  
Tell me if I'm wrong but, everything I do but, it's Just  
you...

sad because I see you  
sad because your there  
but now i know its just you

JUST YOU!  
I'm terrified  
JUST YOU!  
You know I need to fight...  
JUST YOU!  
Tell me if I'm wrong but, everything I do but, it's Just  
you..  
Excited because I see you..  
Excited because your there..  
But now I know it's just you.

JUST YOU!  
I'm terrified

JUST YOU!

You know I need to fight...

JUST YOU!

Tell me if I'm wrong but, everything I do but, it's Just  
you...

Just you,, Oh yea...
