

## Periphery

### "Make Total Destroy"

Visit "[Make Total Destroy](#)" on MotoLyrics.com

Welcome to the truth a life that's not your own.  
Controlled by labor, printed paper and corruptors of  
the world.

Synthetic life-alikes that march to the beat.  
We've had our eyeballs firm under our feet.

Maintain a terrorist life of deceit.  
Spoon feeding bullshit served by addicts.  
Society's harnessing fear as a weapon.

The time has come for all to see.  
The men behind the curtain cast at you disease.

Take back the light it's a dangerous place were headed  
for if we accept  
Defeat.  
Now we know it's a show they've been running from  
below.  
Return to the ground beneath the faulty agitators.

Glistening.  
Under the wings of a golden era.  
Listening.  
To the hate they created inside as we grow.  
As we reduce their religion to ghosts.  
As we reduce them all to bones!

The time has come for all to see.  
The men behind the curtain writhe in self  
defeat.(defeat)  
When will the world seek truth within.  
The eye in silence grips the knowledge to begin.(to  
begin)

Reverse what's lost, awake the song within you.  
Rejoice aloud let these words imbue.  
Reverse what's lost, awake the song within you.  
Rejoice aloud let these words imbue.

Shape the future

Shifting power back in the hands of the common man.  
Give some hope for existence  
Pouring blood on the perfect set in stone.  
As a reclaim our position to the throne.  
As we reduce them all to bones.
