"The One To Blame"

Visit "[The One To Blame](#)" on MotoLyrics.com

I know, you know
That we die in poison in our veins
Don't need anyone to tell me that it's dumb
Don't care, if you die
It's your choice and no one forces you to
We'll know what it does
Don't feel sorry for you

Your choice
Your the one
Who puts it in your veins

You are the only one to blame (x4)

I know, you know
That we die if were blowing out our brains
Don't need anyone to tell me that it's dumb
Refuse, to pay
For your crimes and stupid drug abuse
Don't cry, when you die
We'll know what it does to us
